**The performance quoted represents past performance and does not guarantee future results. Investment return and principal value of an investment will fluctuate so that an investor's shares, when sold or redeemed, may be worth more or less than the original cost. Current performance may be lower or higher than the performance quoted. For standardized returns and performance data current to the most recent month end, see [performance](#).**

**Investing involves risk, including the possible loss of principal.** ProShares Dividend Growers ETFs are diversified and entail certain risks, including imperfect benchmark correlation and market price variance, that may decrease performance. Investments in smaller companies typically exhibit higher volatility. Smaller company stocks also may trade at greater spreads or lower trading volumes, and may be less liquid than stocks of larger companies. Please see summary and full prospectuses for a more complete description of risks. **There is no guarantee any ProShares ETF will achieve its investment objective.**
